

More than Money

Introduce young learners to the world of money management and the concept of business strategy.

More than Money is an online program for students in Grades 3 to 6. Throughout the program, students will have the opportunity to think like an entrepreneur and develop financial literacy skills that they can apply to a simulated business.

Virtual Volunteer-Led Program

- ▲ JA volunteer(s) will run the activities and facilitate the program using an online video conferencing tool
- ▲ Online program is 90 minutes
- ▲ Teacher should set up access and remain on the line for the duration of the presentation
- ▲ JA will provide additional activities/resources for teachers who would like to continue the learning

Teacher-Led Program

- ▲ Teachers can run the program with their class and facilitate all the activities
- ▲ JA will provide access to the JA Campus with the online resources
- ▲ Teachers can run the program at their own pace
- ▲ Program usually takes 2-4 hours to complete

More than Money

Program Activities Include:

- ▲ Record deposits and withdrawals using a money tracker
- ▲ Identify businesses they would like to start
- ▲ Learn basic steps for starting a small business
- ▲ Develop a basic business plan
- ▲ Understand how a business loan works and identify traits of a trustworthy borrower

The JA program can be beneficial in assisting you to meet your goals with the financial literacy curriculum.

“After participating in the program, one of my students started his own business. He used a 3D printer to create nose clips and is selling them by networking! I highly endorse this program and will definitely use it again.”
