Start here - Register your class

*Subject to availability

Students will:

- ▲ Define what a business is
- ▲ Identify examples of how businesses benefit the community
- ▲ Learn about Canadian businesses
- ▲ Understand the difference between profit, income, and expenses
- ▲ Understand the importance of innovation

“

My friend and I really liked talking with the volunteer and learning about what his job was. It was cool to learn what he went to school for and his journey to his work now.

-Grade 6 student, Toronto East
