

WORLD OF CHOICES

**Work Readiness
Grades 9-12**

Hands-on career exploration events that empower high school students to plan their futures

World of Choices is a series of in-person events for students in grades 9-12. Supported by the RBC Foundation, these events focus on key aspects of launching a career and finding a rewarding profession.

How does World of Choices work?

These expert-led events focus on key aspects of launching a career and finding a profession. Each event brings together industry experts, who share their career journeys and insights. Students have the opportunity to ask questions and learn from these experienced professionals.

Students will:

- ▲ Learn about different career opportunities in various industries
- ▲ Hear tips and insights from industry professionals
- ▲ Ask questions about their future career paths to the industry speakers
- ▲ Be inspired to explore and discover the many career paths available to them
